

## Welcome to the lecture sections 1 and 2.

- Instructors: Gerhard Muller, 320D East Hall; Albert Steyerl, 317A East Hall.
- Syllabus is posted online. Check for online updates.
- Course webpage: <http://www.phys.uri.edu/courses/>
- Make sure you are registered (separately) for lecture, lab, and recitation.
- Lecture slides are available online. Come to class regularly and be on time. Earn extra credit by answering quiz question. Bring your textbook and your calculator.
- Exams: 3 unit exams (in class) and final exam. Closed book, calculator needed, one sheet of notes permitted. No review sessions.
- Homework: Online submission via *WebAssign* due on Thursdays, in general. No due date extensions. **First set due on Monday, 28 January.**
- PHY274 Laboratory: Lab schedule on syllabus. Purchase lab notebook and lab manual. **First lab on 28-30 January.**
- PHY274 Recitation: Every Wednesday and Thursday from 11:00am to 4:00pm. Bring textbook and calculator. **First recitation on 30 and 31 January.**
